

# The Rosary Teams

International Edition

Number 2

October 13, 2019

Dear members of the Rosary Teams,  
dear friends,

*It is an international team **full of joy** that addresses you in this 2nd issue of our newsletter! These last months have been filled with beautiful encounters, the birth of Teams, some discouragements, but also the discovery of the dynamism of our Movement around the world. The Teams are a gift of the Spirit for our time! Will we know how to share it around us?*

## Latest news

Will this newsletter look like a birth announcement card? Since the beginning of the year, Teams have been born in **Turkey** and **England**. They should exist very soon in **South Korea**, **Taiwan** and **Dominica**. Great steps have been taken in **Togo**.

May the discouraged Teams not give up: it is **your prayer** that allows all these new foundations! And what a joy it was to be able to meet again and encourage the teams of Burkina Faso, Ivory Coast, Benin and Spain!

## L'agenda

In the coming months, we will try to visit the **Italian and Algerian Teams**. And why not found them in **Monaco**?

In March, we will return to **America** to see our foundation projects in Mexico, Guatemala and the United States. Until now, no Team has been created, but we hope to give you good news in May. Pray!

And very soon, the **International Rosary Teams website** will be online:

<http://internationalrosaryteams.org>.

We beg you to be a little bit more patient!

Istanbul - Turkey - May 2019

## A huge thank you!

Thank you for your spiritual and friendly support. What has been accomplished in recent months could not have happened without your prayer. Thank you for all these encouraging fraternal attentions!

Thank you for your financial support. To date, for 2019, we received **€ 0.20 per member**. For your donations, consider sending them **only to the address below** and not to your national boards. On the 13th of each month, you can spiritually join the Mass celebrated for our donors and their intentions.
