

# The Rosary Teams

International Edition

Number 1

May 13, 2019

Dear members of the Rosary Teams,  
dear friends,

This is the first issue of our newsletter! **This newsletter is yours**: it has been thought up for you, to give you news of the Movement around the world... but also so that you can share your own news with the Teams everywhere! However, it still has no official name. Therefore, we are waiting for your suggestions... and we will choose one!

## Latest news

At the end of March, as part of the National Council of Teams of **France**, we went to Lyon to present our work and animate the opening vigil of the Council... so that our Teams are ever more missionary! Then it was the turn of **Belgium** with a meeting at the shrine of Banneux on April 9. We have the joy of seeing the birth of Teams in **Turkey**. The leaflet now exists in an 11th language, Turkish!

## Agenda

In May, we will leave for Asia, first to **Turkey** to encourage the new Teams, then to **Hong Kong** and **Macao** and finally to **South Korea**. We want to see what the prospects are for creating Teams in the Far East.

In July, it will be the turn of West Africa with a meeting with the Teams of **Ivory Coast**, **Benin** and **Burkina Faso** and an initial approach in **Togo**.

In September, we will visit the **Spanish Teams** and lay the bases for a foundation in **England**.

Hong Kong - May 2019

## Nothing can be done without you!

We need your **spiritual support**: prayer has no boundaries!

We need your **financial support**: to complete our budget, it is enough that each member gives – only – 0.50 € per year! Until now, **for 2019, we received € 0.09 per member**. Thank you to those who have already shown generosity!

**On the 13th of each month, Mass will be said for our donors and their intentions.**
