Number 3

May 13, 2020

Dear members of the Rosary Teams,  
dear friends,

This 3<sup>rd</sup> issue of our newsletter will be like no other. Confined as half of humanity, the members of the International Team learn a sedentary lifestyle. And far from our expectations, the past few weeks have been rich, very rich. What if this imposed immobility was an opportunity to **put us in... Movement?**

Proofreading committee in Paris - France - January 2020

Chantal Courtin, International Coordinator - Fr. Louis-Marie Ariño-Durand, International Chaplain

### **Latest news**

The beginning of the year was marked by our International Council which followed the **Proofreading Committee** for our monthly Prayer Booklet in Paris. As you know, this magnificent support for our meetings at home is the fruit of **group work**: Dominican friars, diocesan priests, lay people, men and women, meet several times to prepare this document. Then we went to Lourdes with the Benin national Team.

### **Agenda**

Obviously, the trips we announced to you in our last newsletter – to Canada, the United States and Mexico in March, Indonesia, East Timor and Australia in July – could not take place. We have not canceled them: **they have just been postponed!**

However, we are not on vacation! We continue to work on our site which we invite you to consult: <http://internationalrosaryteams.org>. We have also undertaken **work to standardize and translate all of our documents.**

Corona... Mariæ – Lourdes – January 2020

### **Did you say Corona?**

We still need your support. Do not forget that on the 13<sup>th</sup> of each month, you can spiritually join the Mass celebrated for our donors and their intentions.

Let no one steal our hope from us. Three syllables have been omnipresent in our media, our conversations and our minds in recent months: *Corona*. But perhaps it is to make us think of Our Lady. **Corona... Mariæ, the Crown of Mary!** She is the Queen of the Rosary. May she always keep you safe!
