Dear members of the Rosary Teams,
dear friends,

At the heart of the month dedicated to the Rosary, we write to you again. This is an unmissable meeting, like the fundamental prayer times of our Movement: the **daily meditation** of a mystery and the **monthly meeting** of our Team. Also, every 13th of the month, a mass brings us together. This communion knows no borders or... confinement!

From the Cross springs life – Corsica – February 2019

Latest news

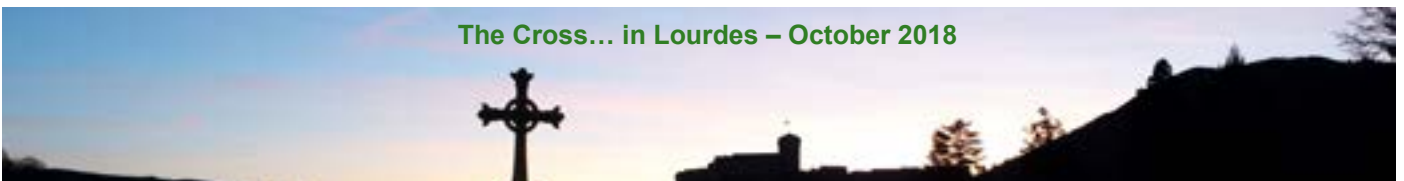

We took advantage of these months of immobility to work on the Movement's documentation. Concretely, we reworked the first pages of our Daily Prayer Booklet so that **the specificity of the prayer of the Rosary Teams** is well understood and experienced by all. We have produced small leaflets that we can send to you if you wish. Clear and concise, they go to the essentials and allow us to faithfully live the spirit of the Teams!

Agenda

We are still uncertain about our future trips. But there is **no question of remaining static**. Some trips in France have been maintained. In mid-October, we will be in Paris for the **Editorial Board** of the monthly leaflet for the year 2021-2022. In November, the International Coordination will travel around France to combine work and prayer. **The program is still in Our Lady's heart!**

Our website <http://internationalrosaryteams.org> is now operational. Do not hesitate to publicize it!

The Cross... in Lourdes – October 2018

Epidemic of fear?

2020 will have been a special year. Mankind has been overcome by fear more than by a Coronavirus epidemic. A cartoon was circulating a few weeks ago: The devil was telling God that he had succeeded in closing all the churches in the world. And God answered him: "But I managed to open one in every house." **You could almost believe he was talking about the Rosary Teams!** Let us learn from this trial that **life springs from the Cross** and move forward in Hope!
