

The Rosary Teams

International Edition

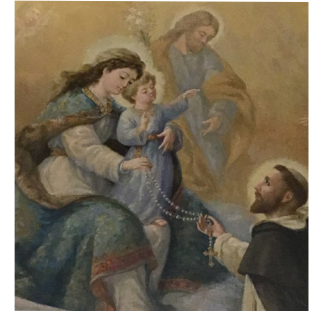

Number 5

May 13, 2021

Dear members of the Rosary Teams,
dear friends,

Our half yearly meeting is quickly coming round again. This time, on the date of our Lady's first apparition in Fatima, it also finds us in the middle of the year that the Holy Father wanted to dedicate to St. Joseph. **For those who love Mary, Joseph is never far away.** He is the caretaker of the home... and thus of our houses where we meet to pray every month!

Latest news

St. Joseph watches over the Holy Family. He is a quiet man who thinks about the future. No doubt he has something to do with the projects we are building. We entrusted him with our approaches to **Vietnam** where hopefully Teams may be created in the coming months. We also asked for his help in the development of the **Booklet of daily prayer in Tetum**, the language of East Timor. We will tell you more in our October newsletter!

Agenda

St. Joseph did not travel much. He barely made it to Bethlehem for the census, Jerusalem to go up to the Temple or to Egypt, fleeing Herod's persecution. He **teaches us patience** and a sedentary lifestyle in these very special times. He also reminds us of the importance of prayer to do God's will. And he makes our hearts available to get us on the road. Our **next trip** when the borders have reopened? **Indonesia, East Timor and Australia!** When is that? As soon as possible!

A rosary.. in Angers - France - March 2019

Pray, my children!

150 years ago, Our Lady appeared in the sky of Pontmain, in the West of France. She particularly stresses **the importance of prayer: pray, my children...** This call is very relevant and we are invited to redouble our fervor and loyalty. The rosary of our photo above is placed on the ground. It is illuminated by the stained glass windows of a chapel. Just like our prayers – they are **here on earth but also take on the colors of the sky**. If we entrust it to Mary, it will shine with the light of Christ!
