Dear members of the Rosary Teams,
dear friends,

Our last biannual newsletter reminded us of the importance of meeting each month, in our homes, to pray. However, this moment of prayer would be nothing without **the Mystery of the Rosary**, which we commit ourselves to meditate on **personally each day**. What if we were to encourage each other to be more faithful to it? This newsletter may help you!

Latest news

A promise is a promise: we had told you we would give you news about the **Booklet of daily prayer in Tetum**, the language of East Timor. As a first step, we valiantly set to work to make a Booklet in French suitable for everyone. The Tetum translation is almost complete. The Korean one will follow. We do not forget English, Spanish and... **your language!** You will have to be patient because our days unfortunately only have 24 hours.

Agenda

It is no secret that traveling is still very difficult. However, we are not desperate to be able to travel before the end of the year. We are planning a trip to Mexico and the United States to finally **create a group of translators** in English and Spanish. Today, this fundamental task rests on too few of us. Then we go to Paris in January for our International Committee. Obviously, we are not forgetting our plans to visit **Indonesia, East Timor and Australia!**

The unforeseen events of God

How the world has changed over the past year and a half! On our small scale too, we have experienced **changes**: the renewal of the entire National Secretariat of the Teams in France, the election of Fr. Rubén, our privileged contact for East Timor, as Provincial of the Province of Our Lady of the Rosary... And now we announce **our new Daily Prayer Booklet!** To entice you to discover it, the two photos in this newsletter are cover details. And that's just a taster!
