May 13, 2022

Dear members of the Rosary Teams,
dear friends,

Business is back! The borders are gradually opening and two long-planned trips have been made. One to the United States to finalize the English version of the Booklet of daily prayer. The other one to Venezuela, this time for the Spanish version of the Booklet and the founding of new Teams. We want to share our enthusiasm with you!

Work on the Booklet of prayer – Caracas – March 2022

Chantal Courtin, International Coordinator - Fr. Louis-Marie Ariño-Durand, International Chaplain

Latest news

Do you want some news about our **Booklet of daily prayer**? There too, business is back. The French version is now complete. And it is beautiful! We would like to have it in Spanish and in English at the end of June. Thus, Fr. Louis-Marie, present at the general chapter of the Order of Preachers in Mexico, could make it known to the friars throughout the world. In connection with the Dominicans, don't the Teams also have the mission of convincing the friars?

Agenda

Two trips are planned for the International Coordination. The first in **Prague**, Czech Republic, at the beginning of June. These are a few days of work to prepare the coming months and to study the possibility of founding Teams in this country. The second at the end of June and the beginning of July to visit the Teams of **Gabon**, **South Africa** and take part in the days of the Federation of the Rosary Teams of the Indian Ocean (**FEROI**) in the Reunion Island.

Parrots... in Caracas – March 2022

Parrots?

But what are these parrots doing in this newsletter? They were photographed on the roof of the Dominican priory in Caracas, Venezuela. We know these birds talk... and repeat! Our daily decade is also repetitive... but not only. If we repeat our *Hail Mary*, it is not for the pleasure of repeating the same words, but to **enter into contemplation**. One of the mottos of the Dominicans is *to contemplate and to give to others the fruits of contemplation*. Let the Teams do the same!
