

Whom are you looking for?

Here is a strange theme for the year, in the form of a question! And we will have to find answers over the coming months. Like those in search of treasure, we are going on an expedition. We do not go on an adventure without a minimum of equipment. It takes a few elements to reach a successful conclusion and make our quest a success.

Thus, we have with us a **map** or a program. It is the Bible that will guide us and show us the path to follow. With even more attention than usual, we are going to rely on the texts that are given to us and indicate to us the deep meaning that our life has. Along the way with Jesus, we will allow ourselves to be led to God.

It's useless to set off without a **compass**, without a tool that points us in the right direction. How many of us no longer know how to drive around without checking their GPS! This year, we will especially appeal to the Holy Spirit. He will enlighten us and tell us where we are so that we do not get lost on the road.

We will obviously need some **provisions** so that we can survive. To keep our minds awake, we will take care to cultivate the meditation of our daily Mystery, in union with the members of our Team and those of the whole world. And we won't forget our monthly meeting either.

Finally, we are not going to embark on this expedition alone. We need **fellow travelers**. There will be the members of our Team, of course. They will be joined by the Virgin Mary who will be the best of guides.

Then, without a doubt, we will find our treasure!
