Dear members of the Rosary Teams,
dear friends,

Our Teams, although they are indeed part of the same Movement, experience realities specific to each of the countries where they are present. In order to work for their unity, it is sufficient to be faithful to two fundamental elements: the meditation on our daily Mystery and the monthly prayer in our homes. Together, missionaries!

The Holy Family, cradle of the Rosary

Christine Pettinari, International Coordinator - Fr. Louis-Marie Ariño-Durand, International Chaplain

Latest news

As planned, Fr. Louis-Marie went to the new Saint Charles Lwanga Province, specifically to **Cameroon** and the **Central African Republic**. In the first country, the Rosary Teams have been established for many years and it is necessary to revitalize them... always returning to the fundamentals, of course. In the second, everything remains to be done. What challenges for the Provincial Promoter of the Rosary!

Agenda

Once again, at the end of the year, the International Coordination should go to America. The young Spanish-speaking Teams need our prayer and support. Will the planned cooperation with Dominican Sisters who are both in **Mexico** and the **United States** come to fruition? We will tell you more in the next Newsletter. And perhaps we will go so far as to announce the birth of the **Daily Prayer Booklet in Tetum**, the language of East Timor.

Collection 2024 ... more news

As you know, we cannot exist without you. For three years, the national solidarity contribution, paid mainly by France, no longer covers our fixed costs (rent, translations and salaries...). Your donations allow us to continue the mission. And you are not short of ideas! A French Team member paints for us –this is the photo you find at the top of this Newsletter– and what people give us for these paintings are donated to the Teams. **Many thanks to her and to all of you for your generosity!**
