Dear members of the Rosary Teams,
Dear friends,

We know that the Rosary Teams originated in France, and that is where they remain most numerous. Pope Leo has just left this country. Mary was especially present throughout this wonderful visit. What a beautiful reminder for us all: we must be **missionaries** with Mary!

In Dakar, with the Teams from Senegal – July 2026

Latest news

As mentioned in our last newsletter, translation work is progressing slowly but surely. We are learning patience. In July, the visit to **Gabon** to mark the 25th anniversary of the Teams went very well. The Diocese of Franceville – the only diocese in the country without any Teams – should soon have some established. Here, too, patience was required for the long train journey across the country. And what a wonderful welcome we received from the young Teams in **Senegal**!

Agenda

The coming semester will be a busy one. On October 25, the International Coordination team will be in **Mauritius** to celebrate the 50th anniversary of the Teams. A visit to Latin America is planned for late November; the specific countries have not yet been finalized, though **Brazil** and **Mexico** are under consideration. Finally, in January 2027, the traditional meetings to prepare the Leaflet and to celebrate the General Assembly will take place in **Paris**.

A missionary Rosary? A Rosary of light! – Good Shepherd Chapel in Angers (France)

Apostolic Concern

Our semi-annual newsletter serves as a place for sharing information. Some Teams tell us that it breathes new life into their prayer by broadening its scope to a global scale. We would like to share a few prayer intentions with you. The word «missionaries» appears in the first text. Our Teams are not missionary enough. Please **pray** that they become established in the **United States**! So far, our attempts have not succeeded. Please pray for our **translators**! Their work is invaluable.
