# We are all called to holiness!

On November 1st, we celebrate the feast of All Saints: the feast day of all the saints!

A saint is a person whose life witnesses the love of God. After their death, the Catholic Church can decide to declare them venerable, then blessed, and finally a saint.
During their life, saints had a positive influence; their faith shone around them. Many Christians ask for their intercession. The diversity of their life shows that there are many ways to serve God, and we find saints on all continents.
With All Saint's Day, the Church reminds us that all are called to **holiness**, even if the paths to holiness can be winding. They are invited to follow in the footsteps of Christ. All Saints Day is thus a **joyful feast** which reminds Christians that the vocation of humanity is to find and to proclaim the Salvation of God.

We are all invited to become saints. We can imagine that we will never attain sainthood because we are neither heroes nor perfect and we are not worthy of sainthood. God only asks us to welcome and to respond to His love He desires that we let Him enter into our lives through the daily activities of our lives. And this begins with small things: sharing with friends, asking forgiveness when we hurt someone… and especially He asks us to trust Him because He is always close to us and will never abandon us.

In this month of November, let us turn to Saint Therese of the Child Jesus, the patron saint of our Rosary Teams. Let us ask her to accompany and guide us in our mission of evangelization. Like her, let us accomplish even the smallest of our actions with great love.
